We look forward to a successful partnership!

Please contact your local Fisher Scientific sales representative or site specialist if you have any questions about BioFlorida's new partner, the Fisher Scientific channel.

The Fisher Scientific team is excited to partner with BioFlorida as your primary source for laboratory supplies and equipment. The new agreement covers our full portfolio of products, including laboratory essentials, instruments, equipment, chemicals, and safety products.

We have a dedicated team of laboratory supply professionals who will work with you to create true and measurable value. The Fisher Scientific channel has the resources to help you find products you need and:

- ✓ Provide technical support for your research and development needs
- ✓ Drive productivity and reduce costs
- ✓ Maximize savings
- ✓ Streamline your procurement processes
- ✓ Produce measurable results

BioFlorida Partnership Benefits

Save on your lab supply purchases with BioFlorida's exclusive benefits from the Fisher Scientific channel:

- ✓ No freight charges on orders
- ✓ Approximately 70 to 75% savings on shipping costs
- ✓ Average 55% discount off list price
- ✓ First year of membership reimbursed in products
- ✓ High-volume price list for additional savings
- ✓ Net 30-day payment terms
- ✓ Guaranteed \$25,000 credit line
- ✓ Leasing options from Thermo Fisher Scientific Financial Services
- ✓ Dedicated sales representatives
- ✓ Low-cost alternatives to many products
- ✓ Supplier membership and sponsorship of regional programs and biotechnology events
